## **HL 1200 Examination Light**

100% more light with new Bulb Technology.

The HEINE HL 1200 is a flexible halogen examination light with a 20W IRC reflector lamp with innovative bulb technology. More than twice the brightness in comparison with conventional 20-Watt lamps for bright, white concentrated light. HL 1200 is a unique design incorporating a number of important features which most other lamps cannot match.
